Appointment Policies

Due to increased demand for chiropractic care in our area, we will now require patients to notify us **at least 24 hours in advance** if they need to cancel or reschedule an appointment. An email, text, or social media message does not qualify as a cancellation. Please call our office to cancel or reschedule an appointment, and leave a message if after hours.

Cancellations or rescheduling requests with **less than 24 hours' notice, no-shows, and late arrivals** will result in a cancellation **fee of \$50** charged to your account and due by next date of service. Please note we will consider exceptions for emergencies on a case-by-case basis.

Please arrive **5 minutes early** to ensure enough time to check in prior to your appointment. As a courtesy to others, we reserve the right to reschedule your appointment, if you are **more than 5 minutes late**. Those who are repeatedly late and/or have multiple missed appointments will not be able to reschedule.

I understand that by signing this document, I have been made aware of the appointment policies at Draeger Chiropractic Clinic SC.
